Denmark

Approved as NMA competent person type A - Ian Flemming McCurdie and Cralog A/S approved as Authorized yard/workshop

Reference is made to your e-mail dated 2014-11-06 enclosed with approval letter from Danish Maritime Authority Cat. A and Transport Styrelsen Kat. A.

Based on "*Regulation of 17 January 1978 No. 4 concerning Cargo-Handling Appliances in Ships*", §1(4) that these countries fulfill the ILO convention No. 152, Norwegian Maritime Authority therefor has approved

Ian Flemming McCurdie

as competent person category A in accordance with above mentioned regulation.

Ian Flemming McCurdie will be approved for initial and periodical crane certifications on board Norwegian flagged ships. His name will be added on our list of competent persons abroad.

NMA should be notified regarding safety critical findings on Norwegian flagged vessels. Also if the owner does not follow up the findings given by the competent person, the NMA should be notified. Exemption requests should be handled by NMA.

In addition The NMA approve

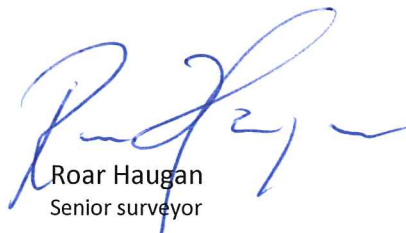

CRALOG A/S

as a Authorized yard/workshop based on information given in e-mail dated 2014-11-06 and that Ian Flemming McCurdie – a competent person type A are connected to the firm.

Yours faithfully,

Kim Are Paulsen
acting head of section

Roar Haugan
